Alena,

As the Fire Chief of the Trumansburg Fire Department I do not see any reason for increasing our department or needing any additional resources due to the building of Hamilton Square.

Sincerely,

Chief Fulton

Hello Jason and Bryan,

Thanks again for meeting with us this morning to discuss the proposed development at 46 South Street and whether fire and EMS services would need to increase personnel or equipment to properly handle the estimated 200 person increase in population over 10 years. It'd be great to get a note from you about this by this Friday, if possible. Thank you!
